PROFILE

Graphic and UX design student with experience in Adobe Creative Suite, Figma, and front-end development. Passionate about crafting visually engaging, user-centred design across digital and print media. Seeking to contribute to a collaborative team while refining skills in layout, branding, and visual storytelling

EDUCATION

Bachelor of Design

Jul, 2024 - Present

The University of Melbourne

- Graphic Design and User Experience Design

EXPERIENCE

Content Creator

Aug, 2025 - Present

Pass to Me, Sydney NSW 2000 (Remote)

- Collaborated with manager with development of branded visual materials for internal and external communication, reshaping presentation of 12 policy documents

Student Volunteer

Aug, 2025 - Present

Only Passing Thru, Sydney NSW 2000 (Remote)

- Designing 6 logo iterations to assist with organisation's branding pack presentation
- Creating 3 iterations of Intro and Outro video for organisation to use to publish content

Graphic Design Intern

Dec, 2025 - Present

STAR EVENT INTERNATIONAL, Kuala Lumpur

- Produced end-to-end event visuals for the Joey Yap project, creating key visuals, 12 signage designs, and artwork for 3D structural models, optimised for large-format print and on-site installation
- Built 5 automotive event backdrops and exhibition visuals for Toyota, developing scalable vector artwork and multiple style options based on client feedback
- Collaborated with 20 team members on the OPPO Reno15 roadshow, designing a map layout with vector illustrations based on floor plan

User Experience Design Intern

Aug, 2025 - Nov, 2025

CresFest, Melbourne VIC 3000

- Led interface design of the CresFest festival website using Figma, redesigning 30+ web pages
- Implemented new web design on 5 core pages of CresFest festival website on Wordpress
- Collaborated with 4 festival staff, including marketing manager and director to improve usability and navigation, integrating interactive design solutions

Student Volunteer

May, 2025 - Jun, 2025

Victorian College of Arts, Melbourne VIC 3000

- Collaborated with subject coordinator Amanda Morgan to design promotional posters with Adobe Photoshop and Adobe InDesign for Trouble Books 2025, exhibited in Southbank Library
- Responded to iterative feedback from 4 academic staff related to font choices and usage of negative space to align design outcomes with exhibition goals

PROJECTS

Passport

Nov, 2025 - Dec, 2025

Melbourne School of Design, Melbourne VIC 3000

- Crafted an artist accordion book resembling a passport, displayed in the MSDx Summer 2025 exhibition with 800 viewers

The Theory of Space

May, 2025 - Dec, 2025

Melbourne School of Design, Melbourne VIC 3000

- Edited a film made with Adobe Premiere Pro and Adobe After Effects for screening in the Melbourne Planetarium Dome, gaining 70 audiences on first screening
- Constructed a stop motion film with concept of occupied space, exhibited in MSDx Summer 2025 with 800 viewers

They Breathe Beneath

Nov, 2024 - Dec, 2024

Melbourne School of Design, Melbourne VIC 3000

- Built a 3D model of a rewilded site based on Professor's Walk with Blender and Rhino, contributing to the MSDx Summer 2024 exhibition, housing 800 viewers
